

# Weatherization Application

Dear Applicant,

Thank you for your interest in Community Action Partnership of Lancaster and Saunders Counties Weatherization Program. Enclosed you will find the application for our program. To speed your application process, be sure to fill out all pages of the application and the enclosed forms completely. Be sure to send us copies of verification documents, not originals. We will not be returning any materials to you. We will need documents to verify income for everyone in the household as well as utility useage. We will also need a citizen attestation form completed by each adult that lives in the household. If you need additional copies of this form, please let us know.

If you have any questions while filling out this application, we have also enclosed some Frequently Asked Questions that you may find helpful. You can also contact us:

Weatherization Program Assistance 210 O Street Lincoln, NE 68508 402-471-4515 ext 242

We value our clients and look forward to working with you to make your home more energy efficient!

Sincerely,

Amy Jeanneret Weatherization Program Administrator Community Action Partnership of Lancaster and Saunders Counties

I understand to weatherize a dwelling unit which is designated for acquisition or clearance by a Federal, State, or Local Program within 12 months from the date weatherization of the dwelling would be scheduled to be completed is not allowed under Federal Regulations 10 CFR 440.18(f)(1).

□ Yes I furthermore do hereby give permission for the property to be weatherized according to the Department of Energy (DOE) standards and regulations and for the inspection of the home and the work performed by the Agency (Community Action of Lancaster & Saunders Weatherization Program). As part of this service, all units will receive a heating system efficiency inspection. The weatherization services and the heating system efficiency inspection will be performed at no cost to the owner/ landlord or tenant in single unit dwellings. In the case of heating plant repairs, the Agency ( Community Action of Lancaster & Saunder Weatherization Program) share will not exceed \$400.00. If the repairs do not exceed \$400.00, the Agency ( Community Action of Lancaster & Saunder Weatherization Program) will repair the heating plant. Should the repairs exceed \$400.00 the Agency (Community Action of Lancaster & Saunder Weatherization Program) will contact the owner or authorized agent to have the heating plant replaced. The Agency (Community Action of Lancaster & Saunders Weatherization Program) will contribute \$500.00 toward the required replacement, if installed to meet the Nebraska Energy Weatherization Assistance Program specifications. If deficiencies are found with the water heater, the owner shall repair or replace the water heater. The Weatherization Program may contribute a maximum of \$150.00 if Weatherization Program installation requirements are met. The weatherization of the unit will not commence until such time as the furnace and/or water heater have been made safe and operable. Weatherization work on rental units may be a shared responsibility of the owner/landlord and the Agency (Community Action of Lancaster & Saunder Weatherization Program).

Weatherization materials may include, but are not limited to, the following items: insulation, caulking, glazing, weather stripping, door sweeps, thresholds, primary doors and primary windows, pipe wrap, water heater blankets, venting, minor repairs, and glass replacement. The decisions concerning material type and quantity shall be the responsibility of the Agency providing the service.
